**International Personal Finance plc
Recommended cash acquisition**

**of all of the issued and to be issued share capital of
MCB Finance Group plc**

Introduction

The Boards of International Personal Finance plc ("**IPF**") and MCB Finance Group plc ("**MCB**") are pleased to announce that they have agreed the terms of a recommended cash offer through which IPF will acquire the entire issued and to be issued share capital of MCB.

It is intended that the Acquisition will be effected by means of a court-sanctioned cancellation scheme of arrangement (with associated reduction of capital) under Part 26 of the 2006 Act but the Acquisition may, if IPF determines (subject to the consent of the Panel and, if required, MCB's Consent) be effected by way of a Takeover Offer or a transfer scheme of arrangement.

Summary

- Under the terms of the Acquisition, MCB Shareholders will be entitled to receive 125 pence in cash for each Scheme Share.
- The Acquisition represents a premium of approximately:
 - 138 per cent. to the Closing Price per MCB Share of 52.5 pence on 17 November 2014 (being the last Business Day prior to the commencement of the Offer Period);
 - 138 per cent. to the average Closing Price per MCB Share of 52.5 pence in the one month to 17 November 2014 (being the last Business Day prior to the commencement of the Offer Period);
 - 122 per cent. to the average Closing Price per MCB Share of 56.3 pence in the three months to 17 November 2014 (being the last Business Day prior to the commencement of the Offer Period); and
 - 50 per cent. to the Closing Price per MCB Share of 83.5 pence on 18 December 2014 (being the last Business Day prior to the date of this announcement).
- The Acquisition values the entire issued and to be issued share capital of MCB at approximately £23.8 million.

- The Scheme will be subject to the satisfaction or waiver of the Conditions which are set out in Appendix 1 to this announcement and which will be set out in the Scheme Document.
- It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting, together with the Forms of Proxy, will be posted to MCB Shareholders as soon as practicable and, in any event, within 28 days of this announcement.
- The Board of IPF believe that MCB's business would benefit greatly from ownership by a strongly capitalised and well-funded parent. Within IPF's Group, IPF believes that MCB's prospects will be greatly enhanced by the provision of the necessary investment in the business and by the broader market development support IPF can deliver.

Recommendation

The MCB Directors, who have been so advised by Torch Partners, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the MCB Directors, Torch Partners has taken into account the commercial assessment of the MCB Directors. Torch Partners is providing independent financial advice to the MCB Directors for the purposes of Rule 3 of the Code. Sanlam is Nominated Adviser and broker to MCB.

Accordingly, the MCB Directors intend unanimously to recommend that MCB Shareholders vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution.

Irrevocable undertakings

IPF has received irrevocable undertakings from Directors of MCB, and from certain related parties, to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution in respect of a total of 2,157,725 MCB Shares, representing approximately 12.2 per cent. of the existing issued share capital of MCB.

In addition, IPF has received irrevocable undertakings from certain other MCB Shareholders to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution in respect of a total of 12,464,265 MCB Shares, representing approximately 70.5 per cent. of the existing issued share capital of MCB.

In total, therefore, IPF has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution in respect of 14,621,990 MCB Shares, representing approximately 82.7 per cent. of MCB's existing issued share capital.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

International Personal Finance plc

Recommended cash acquisition

**of all of the issued and to be issued share capital of
MCB Finance Group plc**

1. Introduction

The Boards of International Personal Finance plc ("IPF") and MCB Finance Group plc ("MCB") are pleased to announce that they have agreed the terms of a recommended cash offer through which IPF will acquire the entire issued and to be issued share capital of MCB.

2. The Scheme

It is intended that the Acquisition be implemented by means of a court-sanctioned cancellation scheme of arrangement (with the associated reduction of capital) under Part 26 of the 2006 Act. The purpose of the Scheme is to enable IPF to acquire the whole of the issued and to be issued share capital of MCB. Under the terms of the Acquisition, which will be subject to the Conditions and other terms set out in Appendix I to this announcement and to further terms to be set out in the Scheme Document, MCB Shareholders will be entitled to receive:

for each Scheme Share 125 pence in cash

The Acquisition represents a premium of approximately:

- 138 per cent. to the Closing Price per MCB Share of 52.5 pence on 17 November 2014 (being the last Business Day prior to the commencement of the Offer Period);
- 138 per cent. to the average Closing Price per MCB Share of 52.5 pence in the one month to 17 November 2014 (being the last Business Day prior to the commencement of the Offer Period);
- 122 per cent. to the average Closing Price per MCB Share of 56.3 pence in the three months to 17 November 2014 (being the last Business Day prior to the commencement of the Offer Period); and
- 50 per cent. to the Closing Price per MCB Share of 83.5 pence on 18 December 2014 (being the last Business Day prior to the date of this announcement).

The Acquisition values the entire issued and to be issued share capital of MCB at approximately £23.8 million.

The Acquisition will be conditional on the Conditions, which are set out in Appendix 1 and will be set out in the Scheme Document, which will be posted to MCB Shareholders as soon as practicable and, in any event, within 28 days of this announcement.

3. Recommendation

The MCB Directors, who have been so advised by Torch Partners, consider the terms of the Acquisition to be fair and reasonable. In providing advice to the MCB Directors, Torch Partners has taken into account the commercial assessment of the MCB Directors. Torch Partners is providing independent financial advice to the MCB Directors for the purposes of Rule 3 of the Code. Sanlam is Nominated Adviser and broker to MCB.

Accordingly, the MCB Directors intend unanimously to recommend that MCB Shareholders vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution.

4. Irrevocable undertakings

IPF has received irrevocable undertakings from the Directors of MCB, and from certain related parties, to vote in favour of the Scheme at the Court Meeting and in favour of the General

Meeting Resolution in respect of a total of 2,157,725 MCB Shares, representing approximately 12.2 per cent. of the existing issued share capital of MCB.

In addition, IPF has received irrevocable undertakings from certain other MCB Shareholders to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution in respect of a total of 12,464,265 MCB Shares, representing approximately 70.5 per cent. of the existing issued share capital of MCB.

In total, therefore, IPF has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and in favour of the General Meeting Resolution in respect of 14,621,990 MCB Shares, representing approximately 82.7 per cent. of MCB's existing issued share capital.

Further details of these irrevocable undertakings are set out in Appendix 3 to this announcement.

5. Background to and reasons for the Acquisition

The development of a digital lending proposition is one of IPF's key strategic priorities. The proposed acquisition of MCB would enable IPF to use the experience MCB has gained since it began operating in 2006 to accelerate the development of IPF's digital lending business and it would also expand IPF's range of new digital products and distribution channels.

IPF believes that MCB has been constrained by its capital structure in recent years and that MCB's business would benefit greatly from ownership by a strongly capitalised and well-funded parent. Within the IPF Group, IPF believes that MCB's prospects will be greatly enhanced by the provision of the necessary investment in the business and by the broader market development support IPF can deliver.

In addition, the Acquisition will expand IPF's geographical footprint into four new markets simultaneously in a manner that is consistent with IPF's declared strategy.

6. Background to and reasons for the MCB Directors' recommendation

While the MCB Directors are confident of the future growth prospects of MCB, they believe that the Acquisition Price provides for MCB Shareholders a valuation together with certainty today which is highly attractive. The MCB Directors believe that a combination with IPF will reinforce the growth prospects of MCB and ultimately provide significant further opportunities to achieve its potential, for the benefit of MCB and its employees and other stakeholders.

The MCB Directors, in reaching their conclusion unanimously to recommend MCB Shareholders to vote in favour of the Scheme, considered the Acquisition Price in relation to the value and prospects of the underlying business segments of the MCB Group and the potential medium term stand-alone value of MCB Shares.

Prior to this announcement, MCB had for some time been engaged in discussions with its principal shareholders and with its bondholders regarding an equity fundraising and the

refinancing of the MCB Group's senior and subordinated debt facilities, which mature in March 2015. In light of this announcement of the Acquisition, MCB is terminating these discussions.

7. Information on IPF

IPF, through its subsidiaries, operates a leading international home credit business serving 2.6 million customers in eight countries (Poland, the Czech Republic, Slovakia, Hungary, Mexico, Romania, Lithuania and Bulgaria), with plans to commence trading in Spain in 2015.

The IPF Group provides small sum unsecured cash loans ranging from approximately £100 to approximately £2,000. Loans are in local currency, are short-term and generally range from six months to two years, with the average loan term during 2013 being 54 weeks.

The IPF Group has two core offerings: small sum unsecured cash loans and a home collection, agent based service. Where the agent service is provided, the customer is not generally charged any default interest or fees as a result of late payments.

IPF primarily operates using the Provident brand and has approximately 7,000 employees and approximately 30,000 agents. IPF reported profit before tax and exceptional items of £118.1 million for the year ended 31 December 2013 and £47.1 million for the half year ended 30 June 2014.

IPF is a UK public limited company traded on the main market of the LSE under ticker IPF.

8. Information on MCB

MCB is a consumer finance company providing fast, convenient and flexible credit products under the *Credit24* brand to retail customers in Finland, Estonia, Latvia and Lithuania (the "Fenno-Baltic Region") and, more recently, in Australia.

Operating under the *Credit24* brand, the MCB Group commenced its business in Estonia and Finland and expanded to the other Baltic markets within a relatively short period of time in order to capitalise on the significant growth of the consumer credit sector throughout the Fenno-Baltic Region. In 2012, MCB commenced operations in Australia as well as launching an online sales finance offering in Lithuania under the brand name *Sving*. The MCB Group operates broadly the same business model across its different national markets.

MCB advanced in excess of €90 million of net loan principal during the financial year ended 31 December 2013 and has over 121,000 active customers. Customers are broadly evenly split across gender and come from a variety of socio-economic backgrounds. A significant proportion of MCB's lending is to repeat customers.

Since being established in late 2006, MCB has become a significant provider of unsecured consumer credit in the Fenno-Baltic Region. This segment is typically under-served by larger financial institutions and attracts customers who value the flexibility and convenience of the products offered.

Under the *Credit24* brand, MCB offers one of the widest selections of unsecured consumer loans in the Fenno-Baltic Region, allowing customers to choose a product that best suits their particular needs. MCB's products include unsecured loans and credit lines up to €3,000 to qualifying customers, with maturities up to two years. Loans provided to customers are designed to have simple and transparent terms with flexible repayment schedules.

Applications are made through MCB's *Credit24* branded websites in each country, as well as through selected distribution partners such as Maxima, the largest food retailer in the Baltic States. The application process is designed to be straightforward, time efficient and secure, taking advantage of MCB's highly automated credit and CRM systems.

MCB's team has strong credit, marketing, technology, collections and customer care capabilities and its custom built technology platform has the potential to support further consumer credit products, portfolio monitoring and CRM processes. MCB works closely with local partners to handle specialist areas such as collections. This combination of operational experience, technology platform and partnerships allows MCB to deliver a high level of customer service at a relatively low cost.

MCB is a UK public limited company and the MCB Shares are admitted to trading on AIM under ticker MCRB.

9. Financing Arrangements of MCB

On 18 December 2014, MCB obtained the requisite consent from the holders of the asset backed fixed rate notes and subordinated fixed rate notes, issued by MCB Treasury AB (a wholly owned subsidiary of MCB) and MCB respectively, for a conditional waiver of certain 'change of control' and similar provisions under the terms and conditions of those notes.

10. Management, employees and locations

IPF attaches great importance to the skills, expertise and experience of the existing management and employees of the MCB Group and believes that they will have greater opportunities arising out of the proposed Acquisition.

Accordingly, IPF confirms that, following completion of the Acquisition, the existing contractual and statutory employment rights, including in relation to pensions, of all MCB Group's employees will be fully safeguarded.

Following the Acquisition, MCB's senior management (including some of those currently holding options over MCB Shares) will become eligible to participate in IPF's incentive arrangements, including the IPF Annual Bonus Plan, the IPF Deferred Share Plan and the IPF Performance Share Plan (the "**IPF Plans**"). Participation in the IPF Plans will be in accordance with IPF's remuneration policies and any grants will be made at a level appropriate to each individual's grade and position.

In relation to MCB Group's places of business and deployment of fixed assets, IPF intends to continue to operate and develop MCB's Established Markets businesses (consumer lending in the Fenno-Baltic Region). IPF has no current intention to make any changes in relation to the continued employment of employees and management within the Established Markets businesses (including any material change to conditions of employment or pension arrangements). Limited changes may be considered in more detail in due course as part of normal post-acquisition planning, but these would not be expected to result in significant restructuring or job losses.

IPF will continue to review its position with respect to MCB's New Businesses as they develop in line with its revenue and profitability targets. Until such review is complete, no decisions have been made in connection with the employment of those employees employed in the New Businesses, the location of the places of business, or the redeployment of the fixed assets of the New Businesses.

The non-executive directors of MCB will resign from the MCB Board on completion of the Acquisition.

11. MCB Share Options

MCB has granted MCB Share Options to certain employees pursuant to individual option agreements under which they have the right to acquire MCB Shares. All of the outstanding MCB Share Options (being those that are vested and unvested, but excluding those that have lapsed) will be exercisable as a result of the Scheme.

Any MCB Shares issued pursuant to the MCB Share Options at or prior to the Scheme Record Time will be subject to the Scheme and, if MCB Shareholders approve at the General Meeting the adoption of the Amended MCB Articles, any MCB Shares issued pursuant to the MCB Share Options after the Scheme Record Time will be transferred to IPF, pursuant to the Amended MCB Articles, at the Acquisition Price.

In accordance with Rule 15 of the Code, the holders of MCB Share Options will, to the extent that they hold subsisting MCB Share Options, be given the opportunity to cancel each of their MCB Share Options in return for a cash payment equal to (i) 125 pence minus the per share exercise price that applied to that MCB Share Option, multiplied by (ii) the number of shares subject to that subsisting MCB Share Option. Cash paid to those option holders who make such an election may be subject to withholding in respect of income tax and social security liabilities.

12. Disclosure of Interests in MCB Shares

Save for the irrevocable undertakings referred to in paragraph 4 above, neither IPF nor any of the directors of IPF nor, so far as IPF or the directors of IPF are aware, any person acting in concert with IPF for the purposes of the Scheme, has an interest in or right to subscribe for, or has any arrangement in relation to, MCB Shares or securities convertible or exchangeable into MCB Shares, or has any short position in relation to relevant securities of MCB, whether conditional or absolute and whether in the money or otherwise, including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of the relevant securities. For these purposes, "arrangement" includes any

indemnity or option arrangement, any agreement or understanding, formal or informal, of whatever nature, relating to MCB Shares which may be an inducement to deal or refrain from dealing in such shares.

IPF confirms that it made on 2 December 2014 an Opening Position Disclosure setting out the details required to be disclosed by Rule 8.1(a) of the Code.

13. Financing the Acquisition

The cash consideration payable under the terms of the Acquisition will be funded from the IPF Group's existing cash resources. Evercore, financial adviser to IPF, is satisfied that sufficient resources are available to IPF to enable it to satisfy in full the cash consideration payable to MCB Shareholders in connection with the Acquisition.

14. Offer-related Arrangements

14.1 *Non-Disclosure Agreement*

Each of IPF and MCB have undertaken under a non-disclosure agreement to hold the other's confidential information in confidence and not, without the other's prior written consent, to disclose it or make it available to any person other than to certain permitted recipients or as required by law or regulation or in the context of discussions with the Panel. Such non-disclosure agreement also includes other customary obligations on IPF, including non-solicitation of MCB's employees and, subject to usual carve-outs, certain standstill provisions.

14.2 *Co-operation Agreement*

MCB and IPF have entered into a co-operation agreement in connection with the Acquisition pursuant to which IPF has agreed, among other things, to use reasonable endeavours to implement the Acquisition.

15. Cancellation of admission to trading on AIM of MCB Shares and re-registration

It is intended that an application will be made to the London Stock Exchange for the cancellation of the admission of MCB Shares to trading on AIM to be effective on the Effective Date.

On the Effective Date, share certificates in respect of MCB Shares will cease to be valid and should be destroyed. In addition, entitlements to MCB Shares held within the CREST system will be cancelled.

It is also intended that, following the Effective Date and after the admission of its shares to trading on AIM has been cancelled, MCB will be re-registered as a private limited company pursuant to the relevant provisions of the 2006 Act.

18. Overseas Shareholders

The release, publication or distribution of this announcement in jurisdictions other than the United Kingdom may be restricted by law. Persons who are not resident in the United Kingdom

or who are subject to the laws of any jurisdiction other than the United Kingdom should therefore inform themselves of, and observe, any applicable requirements. In particular, the ability of persons who are not resident in the United Kingdom to vote their MCB Shares with respect to the Scheme at the Court Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdiction in which they are located. Any failure to comply with applicable requirements may constitute a violation of the securities laws of any such jurisdiction. This announcement has been prepared for the purposes of complying with the laws of England and Wales, the Code and the AIM Rules and the information disclosed may not be the same as that which would have been disclosed if this document had been prepared in accordance with the laws of any jurisdiction outside the United Kingdom. The Acquisition relates to shares of an English public limited company and is proposed to be effected by means of a scheme of arrangement under the laws of England and Wales. Accordingly, the Scheme is subject to the disclosure requirements, rules and practices applicable in the United Kingdom to schemes of arrangement, which differ from the requirements of tender offer rules or the laws of other jurisdictions outside the United Kingdom. However, if IPF elects to implement the Acquisition by means of a Takeover Offer, such Takeover Offer will be made in compliance with all relevant laws and regulations to the extent applicable. Unless otherwise determined by IPF or required by the Code, and permitted by applicable law and regulation, the Scheme Document will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or form within a Restricted Jurisdiction. Accordingly, copies of this announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction, and persons receiving this announcement or any documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from any such jurisdiction. If the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer (unless otherwise permitted by applicable law and regulation) will and may not be made, directly or indirectly, in or into, or by the use of the mails, or by any means of instrumentality (including, without limitation, telephonically or electronically) of interstate or foreign commerce of, or any facilities of a national, state or other securities exchange of any Restricted Jurisdiction, and the Takeover Offer will not be capable of acceptance from or within any Restricted Jurisdiction or by any such use, means, instrumentality or facilities.

The availability of the Scheme to MCB Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable legal or regulatory requirements.

19. Forward looking statements

This announcement includes certain "forward looking statements". These statements are based on the current expectations of the management of MCB and/or IPF and are naturally subject to uncertainty and changes in circumstances. The forward-looking statements contained herein include statements about the expected effects on IPF and MCB of the Acquisition, the expected timing and scope of the Acquisition, and all other statements in this announcement other than

historical facts. Forward-looking statements include, without limitation, statements typically containing words such as "intends", "expects", "anticipates", "targets", "estimates", "plans", "strategy", "will", "should", "may" and words of similar import. These forward looking statements are not guarantees of future performance. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. These factors include, but are not limited to, the satisfaction of the Conditions to the Scheme, and IPF's ability successfully to integrate the operations and employees of the MCB Group, as well as additional factors, such as changes in economic conditions, changes in the level of capital investment, success of business and operating initiatives and restructuring objectives, costs associated with research and development, changes in the prospects for products in the research and development pipeline of IPF or MCB, customers' strategies and stability, changes in the regulatory environment, fluctuations of interest and exchange rates, the outcome of litigation, government actions and natural phenomena such as floods, earthquakes and hurricanes. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Neither MCB nor IPF undertakes any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required.

20. Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A

Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Part B: Certain further terms of the Acquisition

1. The Conditions set out in paragraph 2 of Part A above must be fulfilled, be determined by IPF to be or remain fulfilled or be waived by IPF by the time immediately prior to the Scheme Court Hearing, failing which the Scheme will lapse.
2. Subject to the requirements of the Panel, IPF reserves the right in its sole discretion to waive all or any of the Conditions set out in paragraph 2 of Part A above, in whole or in part, and to proceed with the Scheme Court Hearing prior to the fulfillment or satisfaction of any of such Conditions.
3. IPF shall be under no obligation to waive (if capable of waiver), to determine to be or remain fulfilled or to treat as fulfilled any of the Conditions set out in paragraph 2 of Part A above by a date earlier than 6 March 2015, notwithstanding that the other Conditions (or any of them) may at such earlier date have been waived or fulfilled and that there are, at such earlier date, no circumstances indicating that any such Condition may not be capable of fulfilment.
4. IPF reserves the right to elect, with the prior written consent of the Panel (and MCB's Consent, if required), to implement the Acquisition by way of a Takeover Offer or by way of a transfer scheme of arrangement. In the event that the Acquisition is implemented by way of a Takeover Offer, the Acquisition will be implemented on substantially the same terms (subject to appropriate amendments, including (without limitation) an acceptance condition set at 75 per cent. (or such lesser percentage, being more than 50 per cent., as IPF may, subject to the rules of

the Code and the consent of the Panel, decide) of the MCB Shares to which such Takeover Offer relates), so far as applicable, as those which would apply to the Scheme.

5. The Acquisition will lapse and the Scheme will not proceed (unless otherwise agreed with the Panel)

if there is a Phase 2 CMA reference before the date of the Court Meeting.

6. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by

the laws of the Restricted Jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.

7. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of,

or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.

8. In the event that the Acquisition is to be implemented by way of a Takeover Offer, MCB Shares will

be acquired under the Acquisition free from all liens, equities, charges, encumbrances and other interests and together with all rights attaching thereto, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the date of this announcement. Insofar as a dividend or other distribution is declared, made or paid by MCB in respect of a MCB Share on or after the date of this announcement, the price payable under the Acquisition in respect of that MCB Share will be reduced by the amount of such dividend or distribution, except insofar as the MCB Share is or will be acquired pursuant to the Acquisition on a basis which entitles IPF alone to receive and retain the dividend or distribution directly from MCB.

9. This announcement and any rights or liabilities arising hereunder, or under the Acquisition, the

Scheme or the Forms of Proxy, will be governed by English law and will be subject to the jurisdiction of the English courts. The Scheme will be subject to the Conditions and to the further terms which are set out in this Appendix 1 and which will be set out in the Scheme Document and also to the applicable requirements of the Code, the Panel, the London Stock Exchange and the FCA.
